INFORMATION DISCLOSURE

Sir:

We enclose an information disclosure form and copies of documents that recently came to the applicant's attention in connection with the applicant's international patent application.

DE 203 14 098 depicts a Z-shaped serving aid having tapered flanges. The document, however, was published after the Applicant's filing date.

DE 202 17 100 depicts a serving aid having a bottom flange 2, the part of which that extends to one side of the vertical part 1 is tapered. DE 203 17 359 depicts a serving aid similar to that of DE 202 17 100, except that the bottom flange is not tapered. DE 297 23 815 depicts a server having a handle, a triangular support, and a vertical sidewall.

Each item of information cited in the attached form was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this information disclosure

statement. More specifically, the documents were cited on April 11, 2005 by the Canadian Intellectual Property Office acting as the International searching authority for the applicant's international patent application PCT/CA2004/002054. Copies of the International search report, the notification, and the written opinion are also enclosed.

Respectfully submitted,
